

Chair's Action

Proposal Ref: **Ec/fass/2017/0000027**

Name of Student/Trainee: **Aicha Penrith**

Title of Project: **An insight into the experiences of those with OCD:
Exploring the management of intrusive thoughts, the
self and the other"**

Supervisor: **Dr Rob Meadows**

Date of submission: **16/10/2017**

Date of confirmation
email: **18/12/2017**

The above Research Project has been submitted to the Faculty of Arts and Social Sciences Ethics Committee and has received a favourable ethical opinion with conditions. Confirmation has been received that the conditions stipulated after ethical review have now been addressed and compliance with these conditions has been documented.

The final list of revised documents reviewed by the Committee is as follows:

Ethics Application Form; Protocol; Risk Assessment; Indicative Interview Guide; Contact Email; Participant Information Sheet; Consent Form; Insurance Pro-Forma; and, Email detailing revisions to satisfy review conditions.

All documentation from this project should be retained by the student/trainee in case they are notified and asked to submit their dissertation for an audit.

Signed and Dated: 18/12/2017
Dr Robert Kreuzbauer
Chair, Ethics Committee

Please note:

If there are any significant changes to your proposal which require further scrutiny, please contact the Faculty of Arts and Social Sciences Ethics Committee before proceeding with your Project.
