FACULTY OF MEDICAL SCIENCES: ETHICS COMMITTEE

Dear Alexandra,

Title: Using ecological sampling method to explore the process of accommodation and its impact on dyads of individuals with OCD and their caregivers

Application No: 1623/7150/2018

Start date to end date: 01/10/2018 to 18/09/2020

On behalf of the Faculty of Medical Sciences Ethics Committee, I am writing to confirm that the ethical aspects of your proposal have been considered and your study has been given ethical approval.

The approval is limited to this project: **1623/7150/2018**. If you wish for a further approval to extend this project, please submit a re-application to the FMS Ethics Committee and this will be considered.

During the course of your research project you may find it necessary to revise your protocol. Substantial changes in methodology, or changes that impact on the interface between the researcher and the participants must be considered by the FMS Ethics Committee, prior to implementation.*

At the close of your research project, please report any adverse events that have occurred and the actions that were taken to the FMS Ethics Committee.*

Best wishes,

Yours sincerely

Marjorie Holbrough
On behalf of Faculty Ethics Committee
