Research Ethics Board II
Certificate of Ethical Acceptability of Research Involving Humans

REB File #: 144-0918

Project Title: Acceptance of Serious Games in Psychotherapy

External Principal Investigator: Jessica Helen Huss (Sigmund Freud Privat Universität)

Approval Period: September 26, 2018 to September 25, 2019 (For McGill portion of approved study)

The REB-II reviewed and approved this project by delegated review in accordance with the requirements of the McGill University Policy on the Ethical Conduct of Research Involving Human Participants and the Tri-Council Policy Statement: Ethical Conduct for Research Involving Humans.

Georgia Kalavritinos
Ethics Review Administrator

-
- * Approval is granted only for the research and purposes described.
 - * Modifications to the approved research must be reviewed and approved by the REB before they can be implemented.
 - * A Request for Renewal form must be submitted before the above expiry date. Research cannot be conducted without a current ethics approval. Submit 2-3 weeks ahead of the expiry date.
 - * When a project has been completed or terminated, a Study Closure form must be submitted.
 - * Unanticipated issues that may increase the risk level to participants or that may have other ethical implications must be promptly reported to the REB. Serious adverse events experienced by a participant in conjunction with the research must be reported to the REB without delay.
 - * The REB must be promptly notified of any new information that may affect the welfare or consent of participants.
 - * The REB must be notified of any suspension or cancellation imposed by a funding agency or regulatory body that is related to this study.
 - * The REB must be notified of any findings that may have ethical implications or may affect the decision of the REB.
