Hi Michelle

This is the confirmation of ethical approval for your MSc study, continuing the research that was conducted last year.

Dear James and Olivia

**Ethics code: PREC 18-071**

**Full title of study** Do People With Hoarding Disorder Have A Perceptual Bias For Objects?

Thank you for letting us know about this amendment. I am happy to confirm that you have received full ethical approval, via Chair's Action. Your file will be updated to include these changes.

Best of luck with your research,

Jie Sui

Chair, Psychology Research Ethics Committee
