Dear Hannah

**PREC reference number:** 21-258

Thank you for letting us know about this amendment. I am happy to confirm that you have received a favourable ethical opinion, via Chair's Action. Your file has been updated to include these changes.

Your application has received a favourable ethical opinion. However please be aware that a researcher (or supervisor in the case of UG or Masters students) is responsible for ensuring full data protection compliance. Please seek further advice from [dataprotection-queries@lists.bath.ac.uk](mailto:dataprotection-queries@lists.bath.ac.uk) if you have any concerns.

Best of luck with your research.

Rebecca Wise  
On behalf of Psychology Research Ethics Committee
