

Parent/Guardian Consent Form

Project title: The co-creation of a psychoeducational resource for school staff about OCD in children and young people.

Please tick the appropriate boxes below.

	Yes	No
Taking part in the project:		
<i>I have read and understood the project information sheet, or the project has been fully explained to me. (If you will answer No to this question please do not proceed with this consent form until you are fully aware of what your participation in the project will mean.)</i>		
<i>I have been given the opportunity to ask questions about the project.</i>		
<i>I agree that my child can take part in the project. I understand that taking part in the project will involve my child taking part in one interview (with myself) where we will be asked questions about their OCD and information they think school staff should know about OCD in children and young people.</i>		
<i>I understand that my child and I's taking part is voluntary and that we can withdraw from the study at any time during the interview. Neither me or my child have to give any reasons for why we no longer want to take part, and there will be no adverse consequences if we choose to withdraw.</i>		
<i>I agree to be contacted regarding future related research (this is optional, you can still take part if you tick "No" for this section.)</i>		
How my information will be used during and following the project:		
<i>I understand that my child and I's personal details, such as names, will not be shared with or made available to people outside of the project (i.e., Libby Colbert, Lauren Powell).</i>		
<i>I understand and agree that things my child or I say during the interview may be quoted in publications, reports, web pages, and other research outputs. I understand this will be anonymous, so our names will not appear in these outputs.</i>		
<i>I understand that any of our personal data, including names, will be anonymised when writing up the data, then deleted.</i>		
<i>I understand and agree that other authorised researchers will have access to this data only if they agree to preserve the confidentiality of the information as requested in this form.</i>		

<i>I understand and agree that other authorised researchers may use my child and I's data in publications, reports, web pages, and other research outputs, only if they agree to preserve the confidentiality of the information as requested in this form.</i>		
<i>I give permission for the data that my child and I provide to be stored on a secure University server, which only the research team will have access to), so it can be used in future related projects and for future research and learning.</i> <i>I would like a copy of the study results (please include contact details here):</i> _____		
The legal use of the information you provide:		
<i>I agree to assign the copyright I/my child holds in any materials generated as part of this project to The University of Sheffield.</i>
