

Take part in maternal Obsessive Compulsive Disorder (OCD) research at the University of Oxford

We want to hear about the experiences of maternity care for women with Obsessive Compulsive Disorder

Do you have OCD?

Are you over the age of 18?

Have you given birth in the past 2 years?

You are invited to participate in a confidential survey.

We would like to know about your experiences of maternity care when you were pregnant and during the year after you gave birth.

If you would like to take part in the survey, please use this link: bit.ly/matOCD24 or scan the QR code
