

# Advance choice focus group

An invitation to have your say

**Are you** 16–25 years old, with experience of being detained under the Mental Health Act within CAMHS, and with experience using community mental health services?

**Or are you** a carer/supporter of someone who has experienced being detained within CAMHS and has experience using community mental health services?

**Advance Choice Documents** give people who use mental health services more say in their care by making their treatment preferences clear.

**SLaM** will be helping those who use its services to create these documents, and we would like you to share your thoughts on the best way to do this.

**All** attendees will receive a £20 voucher as a thank you.

If you would like to know more or to take part, please
